

BECOME A MEMBER OF FRIENDS OF ROUGE PARK

What does it mean to be a member of Friends of Rouge Park?

Friends of Rouge Park is a legacy organization, founded in 2002 to protect, restore, and promote a natural, environmentally healthy, and culturally vibrant Rouge Park. Members are critical to our organization, electing our Board of Directors, informing our work and contributing to a communal voice advocating for Detroit's largest park. We host four membership gatherings per year and members are encouraged to get involved in programming and Board committees, as interested. Memberships are renewed annually, based on the date you join and are tax-deductible.
